**Space is limited to register today!
Limited to 3 Participants from each industry
First Come – First Served
Firm Commitment Needed
\$10 Fee for Members
Deadline to Register is January 13, 2012**

About Speed Networking: Speed Networking is a networking event with an accelerated twist. The program is specifically designed to allow attendees the quick and entertaining opportunity to introduce themselves and pitch their company to other Chamber members.

How It Works: Participants are seated in pairs and allowed 2 minutes each to network face-to-face. At the end of each session, participants quickly move onto their next networking opportunity. The process continues for approximately 70 minutes. Participants will share business cards, history and offer new contacts with valuable information about their business. For example:

- Who do you know that might need their services?
- Who has a similar client base and might like to exchange client leads?
- How might each company do business with one another?
- Can you introduce them to anyone who can help them?

Participants may not get the opportunity to speed network with all attendees, therefore, there will be 20 minutes of general networking at the end.

After the event is over, participants are encouraged to follow up with contacts to develop and cultivate referral business.

Includes Light Appetizers - Cash Bar
\$10 Chamber members/\$15 Non-Members
